As the originator of T'ai Chi Chih® (TCC), Justin Stone's intention was to have a TCC Center and Association to educate and share TCC. By renewing your membership, your valuable support helps keep the TCC Center available for classes, workshops, and other TCC activities. At the same time, your fully tax-deductible membership allows continued public outreach through health fairs and other community service events. And, as a bonus, you receive a monthly newsletter to show our gratitude and appreciation.
